

Mission

"Bone-Setter" for human-centric infrastructure . Functional Translation: Senior Strategic Implementation Advisor with 14 years of leadership and 5 years specifically within high-concurrency healthcare ecosystems. Expert in architecting the technical and operational bridges between C-suite strategy and front-line data integrity for systems serving 18,000+ patients.

Education

Master of Science in Quantitative Methods and Modeling

Baruch College, Zicklin School of Business, New York, NY

Relevant Coursework Highlights:

Data Warehousing and Analytics | Simulation Modeling & Analysis | Modern Regression Analysis |
Corporate Finance | Data Visualization | Data Mining for Business Analytics | Principles of Database
Management | Programming for Analytics.

GPA:
3.431

Bachelor of Arts in French, minor in Art History

Francis Marion University, Florence, SC

GPA:
3.633

Technical Skills

The Data Engine: dbt (Data Build Tool), BigQuery, SQL (PostgreSQL/MySQL), YAML, API/Integration Logic; engineered cloud-based ELT pipelines to optimize platform ROI and ensure logical data relationships for community partners.

Implementation & Configuration: SaaS Platform Onboarding, Enterprise EHR Governance (Epic, NextGen, Connect2); architected relational database schemas from the ground up to solve legacy clinical reporting friction.

Lifecycle & Delivery: Agile/SDLC, User Acceptance Testing (UAT) Lead, Technical Documentation; translated abstract stakeholder requirements into high-performance, normalized data models.

Professional Experience

Lead Patient Care Associate (Implementation Consultant) | Callen-Lorde | 2021–2026

- **Strategic System Governance:** Directed technical advocacy for an 18,000-patient ecosystem during an enterprise-wide Epic migration, reporting directly to the CEO and COO to align technical configurations with clinical reality.
- **Operational Optimization:** Improved resolution speed for complex patient-provider data conflicts by over 50%, leveraging expert system navigation to reduce average handling time from 45 to 20 minutes.
- **Systemic Stabilization & Triage:** Resolved 10–20 high-friction systemic issues daily, specifically bridging navigation gaps for trans and nonbinary individuals to ensure equitable access to care.
- **Labor Governance & Advocacy:** Elected Union Delegate representing 300+ staff members (60% of workforce); navigated two successful contract negotiations with executive leadership to ensure organizational policies remained mission-aligned.

Server, F&B Reservation Agent, and Event Coordinator | The Standard & ABCV | 2015-2021

- **Synchronized Multi-Platform Logic:** Orchestrated high-volume operational data and customer logic for 7 NYC-based venues across 2 flagship hotels utilizing SevenRooms and Tripleseat.
- **Validated Enterprise Database Integrity:** Safeguarded high-fidelity record validation within a shared global CRM database, ensuring local data accuracy for 300+ daily guest interactions.
- **Negotiated Fiscal Stewardship:** Facilitated small-scale event contracts and procurement; ensured 100% accuracy in contract fulfillment and client expectations for localized revenue streams.
- **Spearheaded High-Concurrency Performance (ABCV):** Coordinated breakfast service for 11 concurrent tables (22–44 patrons) during peak demand; applied real-time resource routing and cross-functional teamwork to maintain service excellence in a high-stress environment.

Senior Program & Account Lead | Del Monsoon | 2010–2019

- **Fiscal Stewardship & Procurement:** Directed end-to-end financial operations and contract fulfillment for large-scale projects, managing resource logistics for events with 1,000+ attendees.
- **Revenue Generation:** Identified organic growth opportunities through vendor logistics and project spend that generated a \$60K+ new-business stream.

William Preston 'Carey' Leslie II

Strategic Advisor | Healthcare Implementation Architect | MS Candidate, Quantitative Methods
New York, NY | Relocating to Portland, OR (June 2026)

843.694.6959

Quantitative Methods & Academic Projects

Clinical Decision Support Tool: Architected a dbt pipeline to transform 400,000+ NYS Medicaid records into a "Source of Truth" for geospatial provider referrals.

Healthcare System Simulation: Developed Monte Carlo simulations to identify operational bottlenecks and improve system efficiency in high-concurrency care models.

Additional Skills & Certifications

- Alteryx Designer Core Certification
Alteryx
- Certified Teaching English as a Second or Foreign Language/ESL Language Instructor
Literacy Assistance Center Academy, New York, NY
- Certified DELF A1/A2
Université de Caen Basse-Normandie, Caen, France
- Certified COVID-19 Contact Tracer
Johns Hopkins University, Coursera.org

Community Leadership

Co-Founder & Event Producer | Queer Roots Cinema | 2021–Present

Co-founded and lead end-to-end production for a 30-member intergenerational community program, facilitating inclusive discussion and event logic.

Self-Care Methods

Continual academic pursuit; training in contemporary dance; tabletop RPG game mastery (collaborative storytelling)
