ATS Tip	We weren't able to match the company (Omega Morgan, Inc.) and web address () you added to a known ATS.
Contact Information	You provided your physical address. Recruiters use your address to validate your location for job matches. You provided your email. Recruiters use your email to contact you for job matches. You provided your phone number.
Section Headings	We found the education section in your resume. We found the work experience section in your resume. We found work history in your resume.
Job Title Match	The job title 'Business Systems Administrator' from the job description matches your resume's profile job title. We recommend this to be the case to ensure you're found when recruiters search by job title.
Date Formatting	ATS and recruiters prefer specific date formatting for your work experience. Please use the following formats: "MM/YY or MM/YYYY or Month YYYY" (e.g. 03/19, 03/2019, Mar 2019 or March 2019).
Education Match	Your education matches the preferred (ged) education listed in the job description.
File Type	You are using a .pdf resume, which is the preferred format for most ATS systems. Your file name doesn't contain special characters that could cause an error in ATS. Your file name is concise and readable.

Recruiter Tips

Summary	✓ We found a summary section on your resume. Good job! The summary provides a quick overview of the candidate's qualifications, helping recruiters and hiring managers promptly grasp the value the candidate can offer in the position.
Job Level Match	⚠ No specific years of experience were found in this job description. Focus on matching your skills and qualifications to the role's requirements. Consider how your experience, regardless of duration, aligns with the job's key responsibilities before applying.
Measurable Results	✓ There are five or more mentions of measurable results in your resume. Keep it up - employers like to see the impact and results that you had on the job.
Resume Tone	✓ The tone of your resume is generally positive and no common cliches and buzzwords were found. Good job!
Web Presence	✓ Nice - You've linked to a website that builds your web credibility. Recruiters appreciate the convenience and credibility associated with a professional website.
Word Count	✓ There are 906 words in your resume, which is under the suggested 1000 word count for relevance and ease of reading reasons.
