Professional Summary

Highly organized and analytical Senior Operations Specialist and Executive Assistant with 15 years of experience managing complex administrative workflows, document control systems, and stakeholder relations across demanding environments. Proven track record of handling high-volume clerical operations, auditing database record integrity, and delivering exceptional front-facing customer and vendor support. Advanced master of general office software, including advanced Microsoft Excel (reporting, lookup functions, and data cleansing) and Word. Excellent diplomatic communicator skilled at coordinating cross-functional teams and translating operational needs into structured, clear processes.

Core Competencies

- **Office Administration & Clerical:** Executive Support, Calendar Management, Document Handling, Data Entry & Quality Control, Digital Records Management, Meeting Coordination
- **Customer & Vendor Relations:** Multi-Line Phone Support, Stakeholder Liaison, Relationship Building, Cross-Group Collaboration, Conflict Resolution
- **Data Systems & Tools:** Advanced Microsoft Excel (Pivot Tables, Lookup Formulas, Data Auditing), MS Word, Outlook, Database Navigation & Integrity, SQL Data Querying
- **Operations & Compliance:** Standard Operating Procedures (SOPs), Budget & Invoice Tracking, SLA Compliance, Regulatory Compliance, Labor Governance

Professional Experience

Lead Patient Care Associate (Implementation Consultant) | Callen-Lorde | April 2021 – March 2026

- **Enterprise Migration & Data Auditing:** Registered and managed administrative records for an 18,000-user ecosystem during an intensive database software transition; audited system demographic layers to ensure 100% data entry accuracy and compliance.
- **Incident Management & Root-Cause Diagnosis:** Engineered a tracking system in Google Sheets to monitor administrative processing bottlenecks; conducted root-cause analysis to identify operational errors and streamline data-routing workflows.
- **Workflow Remediation & Documentation:** Reduced front-end process latency by 50% through comprehensive mastery of system configuration; provided technical feedback and starting points to help management author standard workflow runbooks and staff playbooks.
- **Cross-Functional Leadership & Governance:** Elected Union Delegate representing 300+ personnel; collaborated directly with senior leadership and Human Resources to resolve administrative grievances.
- **Training & Onboarding:** Scheduled, coordinated, and delivered onboarding training to incoming administrative staff, ensuring strict adherence to data quality standards and office policies.

F&B Reservation Agent and Server | The Standard Hotels & ABCV | May 2015 – May 2021

- **Multi-Venue System Coordination:** Managed high-volume customer schedules and reservation logistics across 7 operational platforms using proprietary software databases.
- **Database Record Integrity:** Maintained strict attention to detail to secure 100% record validation and deduplication accuracy across 300+ daily profiles within a shared global customer database.
- **Phone-Based Customer & Vendor Relations:** Handled high-concurrency phone communications, resolving complex inquiries, managing client expectations, and routing data-sensitive requests under pressure.
- **Contract Validation & Fulfillment:** Facilitated small-scale procurement contracts and localized billing; utilized Microsoft Excel to reconcile accounts and verify 100% accuracy in contract tracking.

Senior Program Operations Lead | Del Monsoon | December 2010 – December 2020

- **Project Execution & SLA Tracking:** Served as the primary point of accountability for end-to-end program logistics, managing administrative tasks and coordinating operational timelines across teams of up to 100+ personnel.
- **Fiscal Stewardship & Resource Management:** Monitored project budgets, audited vendor billing logs, and reconciled invoices to ensure zero deficit across cross-functional program deployments.
- **Stakeholder Coalition Mobilization:** Managed communications and organized administrative outreach campaigns for regional community coalitions.

Personal Assistant & Project Manager | Independent Contractor | October 2018 – December 2020

- **Calendar Management & Project Coordination:** Directed complex personal and business calendars, scheduled travel logistics, and prioritized competing tasks under tight deadlines with absolute confidentiality.
- **Cross-Cultural Regulatory Navigation:** Assisted international clients with organizing and filing complex US regulatory compliance paperwork and tax document preparation.

Technical Portfolio & Academic Projects

- *CI Project (Geospatial Advocacy and Predictive Analytics):* Designed structured workflows to compile, clean, and deduplicate multi-agency municipal data feeds; validated database schema structures to ensure reliable downstream reporting.
- *SDOH Project (Epidemiological Analytics Engine):* Led quality-assurance audits across 141 municipal ZIP code data groups; developed data-cleaning scripts in Python to resolve reporting anomalies and map missing records.
- *WHO Project (Healthcare Access System Architecture):* Analyzed high-friction referral processes to design an automated referral routing model, reducing manual administrative processing steps.

Education

Master of Science, Quantitative Methods and Modeling

Baruch College, Zicklin School of Business, New York, NY

GPA:

3.525

Relevant Coursework:

Principles of Database Management, Data Warehousing, Systems Simulation Modeling

Bachelor of Arts, French (minor: Art History)

Francis Marion University, Florence, SC

GPA:

3.633

Graduated cum laude with University Honors | Dean's List | President's List

Certifications & Community

Alteryx Designer Core Certified | Data Auditing & Automation

Alteryx

Certified TESLA Instructor

(Literacy Assistance Center Academy) – Training, Instructional Design, Adult Education

Co-Founder & Event Producer, Queer Roots Cinema

30-member intergenerational community program; managing scheduling, vendor relations, and local program operations.

Self-Care Methods

Continual academic pursuit; training in contemporary dance; tabletop RPG game mastery (collaborative storytelling)
